LOCAL DEPARTMENT.

Removal.—We have removed our office to the room formerly occupied by Mr. [illegible] as a bookbindery, on the northern corner of [illegible]

Terms Cash.

The Democracy of Carroll County are requested to meet at their usual places of holding primary elections, on Saturday, May 2nd, 1868, between the hours of 4 and 7 o'clock P. M., for the purpose of electing two delegates from each election district to represent the Democracy of Carroll County in the Democratic Convention to be held in the city of Baltimore on the 5th day of May, 1868, for the purpose of nominating candidates for the offices of Governor and Comptroller of the Treasury, and for the transaction of such other business as may be deemed necessary by said Convention.

By order of the Democratic Central Committee.

JOHN LEWIS, Chairman.

Attest: JOHN T. ELLIOTT, Secretary.

Our Sheriff.—The editor of the Democratic Advocate, of this city, has been examining the records and papers in the office of the Sheriff of this county, and has published the result of his labors in the shape of a long article, filling nearly two columns of his paper. The object of the writer is to show that the present Sheriff has been guilty of gross neglect of duty, and that he has failed to account for large sums of money collected by him as Sheriff. We have no disposition to defend Sheriff Shriver from the charges made against him, but we do not think the Democratic Advocate has made out a case against him. The writer of the article in question has evidently had access to the books and papers in the Sheriff's office, and has made the most of every item that could be construed into a charge against the Sheriff. We have no doubt that the Sheriff has been guilty of some neglect of duty, and that he has failed to account for some of the money collected by him, but we do not believe that he has been guilty of any wilful misappropriation of the public funds. The Democratic Advocate has made a great deal of capital out of the matter, and has succeeded in creating a good deal of excitement among the Democrats of the county, but we do not think that the charges made against the Sheriff will be sustained by the facts. We have no doubt that the Sheriff will be able to explain away the charges made against him, and that he will be able to show that he has accounted for all the money collected by him as Sheriff.

The Democratic Advocate has also published a long article in reference to the Democratic Central Committee, in which it charges that the Committee has been guilty of gross neglect of duty in not calling a meeting of the Democratic County Convention, and in not appointing delegates to the Democratic State Convention. The writer of the article in question has evidently been misinformed in regard to the duties of the Democratic Central Committee. It is the duty of the Committee to call a meeting of the Democratic County Convention, and to appoint delegates to the Democratic State Convention, when they are instructed to do so by the Democratic County Convention, but not otherwise. The Democratic County Convention has not been called together, and the Democratic Central Committee has not been instructed to call a meeting of the Democratic County Convention, and to appoint delegates to the Democratic State Convention, and consequently the Committee has not been guilty of any neglect of duty in not doing so.
